Re: Administrative Order Docket No. V-W-14-AO-01

Dear Ex. 6.(Personal Privacy)

Based on the information you have provided regarding the requirements of the Administrative Order on Consent (AOC) and the letter you provided dated March 14, 2018, the U.S. Environmental Protection Agency believes that you have satisfied the terms of AOC V-W-14-AO-01. EPA anticipates no further action on the noncompliance EPA observed during the April 2013 inspection and considers the AOC to be closed.

Thank you for your efforts to protect water quality. If you have any questions on this matter, please contact Joan Rogers of my staff at (312) 886-2785.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ch. Korleski", is positioned above the printed name.

Christopher Korleski
Director, Water Division
